INNOVATION BEYOND BORDERS

Our presence in **more than 20 countries** allows us to offer a career without boundaries. At AKKA Belgium, different types of **international mobility** exist: on short, medium or long term. Mobility advisers in each country and an international mobility department in France will support your requests.

Belgium, Brazil, Canada, China, the Czech Republic, France, Germany, Italy, India, Morocco, the Netherlands, Romania, Russia, Spain, Switzerland, Turkey, the United Arab Emirates, the United Kingdom, the United States.

AT THE HEART OF INNOVATION

At AKKA Belgium, you will be:

- In charge of diverse **transversal and empowering projects**;
- supported in your career by your **AKKA Manager & HRBP**;
- actor of your **training plan** and your **personal and professional development**;
- member of a **dynamic and collaborative community of engineers**;
- benefiting from a **competitive salary package** including several **extra-legal benefits**.

BLOSSOMING CAREER OPPORTUNITIES

At AKKA, your career can go in **3 different directions**:

- **Technical expertise**
- **Project management**
- **Business**

Every path has **several levels** that you can reach depending on your experience and skills. To support your career expectations and personal evolution, **bridges from one path to another are also possible**. Next to that, we offer you the possibility to take on **extra roles** within AKKA, such as that of trainer, ambassador, site leader etc. **Your career path is designed entirely by you!**

KNOWLEDGE HUB

AKKA Belgium's **internal training center** has been developed to **support the professional and personal development** of our engineers. How? By putting at their disposal the tools they need to improve, develop or reinforce their competences.
