

# Materialise

'90

Founded in 1990

2100+ innovators

27+ offices  
worldwide

## What does Materialise mean?

When your work can improve lives, you know you are doing something important.

**It means...** developing software to help people walk, run and jump again.

**It means...** engineering to help customers develop better products.

**It means...** helping startups realize entire new business models.

**It means...** people who know they have the opportunity to make this world a better...  
...and healthier place.

# future — innovators day

**Graduate recruitment days**  
APRIL 7 AND 9, 2020  
Materialise HQ · Leuven, Belgium

# Join us at the Future Innovators Day at Materialise HQ!

We invite you to come explore our available career opportunities. This day is a unique possibility for you to discover the positions available with us and find the ones you're enthusiastic about. Our hiring managers are looking forward to meeting you in person to discuss your interests and to hear your thoughts about the industry. The cherry on top: you'll get to explore your potential future workplace through a tour of our production facilities!

## Are you one of our Future Innovators?

- You are graduating with a bachelor's or master's degree in 2020
- You are eligible to work in the European Union
- You are able to visit our headquarters in Leuven, Belgium on April 7 or 9, 2020

## All boxes checked?

Apply now at [mtls.me/fid](https://mtls.me/fid) with your CV and cover letter!
